

BNY MELLON

THIS NOTICE CONTAINS IMPORTANT INFORMATION FOR THE HOLDERS OF CERTIFICATES OR NOTES (“HOLDERS”) ISSUED BY THE FOUR HUNDRED AND FORTY (440) COUNTRYWIDE MORTGAGE-BACKED SECURITIZATION TRUSTS LISTED IN EXHIBIT A HERETO (THE “AFFECTED TRUSTS”) AND OTHER PERSONS POTENTIALLY INTERESTED IN THE AFFECTED TRUSTS.

NOTICE CONCERNING THE PAYMENT BY BANK OF AMERICA, N.A., AS MASTER SERVICER, OF ADJUSTMENT AMOUNTS TO THE AFFECTED TRUSTS IN CONNECTION WITH THE IMPLEMENTATION OF SUBPARAGRAPH 5(e) OF THE PROPOSED SETTLEMENT AGREEMENT, DATED JUNE 28, 2011, BETWEEN THE BANK OF NEW YORK MELLON, AS TRUSTEE OR INDENTURE TRUSTEE, ON THE ONE HAND, AND BANK OF AMERICA CORPORATION, COUNTRYWIDE HOME LOANS, INC., COUNTRYWIDE FINANCIAL CORPORATION, AND BANK OF AMERICA, N.A. (AS SUCCESSOR BY MERGER TO BAC HOME LOANS SERVICING, LP) ON THE OTHER (THE “SETTLEMENT AGREEMENT”).

Dated: April 25, 2014

This notice (the “Notice”) is given by The Bank of New York Mellon (“Trustee”), as trustee or indenture trustee under the Pooling and Servicing Agreements and Indentures and related Sales and Servicing Agreements (collectively, the “Governing Agreements”) governing the Affected Trusts. The purpose of this Notice is to provide further information regarding the additional principal collections that were paid to Holders of the Affected Trusts on the April 25, 2014 payment date in connection with adjustment amounts that Bank of America, N.A., in its capacity as Master Servicer for the Affected Trusts (the “Master Servicer”), has paid to the Affected Trusts.

The Master Servicer reported to the Trustee that during the period from July 1, 2011 through February 7, 2013, the Master Servicer completed 10,786 principal reduction modifications using valuation tools different from those prescribed by Subparagraph 5(e) of the Settlement Agreement. As a result, certain of the aforementioned modifications resulted in principal forgiveness that was greater than contemplated by Subparagraph 5(e) of the Settlement Agreement. The Master Servicer proposed to correct the foregoing by putting each Affected Trust in the same position that such Affected Trust would have been in had the Master Servicer completed the aforementioned principal reduction modifications using the valuation tool prescribed by Subparagraph 5(e) of the Settlement Agreement, i.e., where permissible¹, a third party broker price opinion that excludes REO and/or short sale comparative sales. The Master Servicer proposed to do so by obtaining broker price opinions excluding REO and/or short sale comparative sales as of the date of the original valuation in order to determine the appropriate adjustment amount (the “True-up Proposal”). The Trustee engaged a servicing expert that evaluated the True-up Proposal and found it reasonable. To implement the True-up Proposal, the Master Servicer engaged Lender Processing Servicer (“LPS”) to perform the necessary analysis.

¹ Broker price opinions are not allowed as a valuation tool for loan modifications in twenty-four jurisdictions.

BNY MELLON

In connection with the foregoing, the Master Servicer paid adjustment amounts to the Affected Trusts which equal, in the aggregate, \$111,393,300. For the adjustment amount that was paid by the Master Servicer to any particular Affected Trust, Holders should review the April 2014 monthly report for such Affected Trust.

The Trustee neither makes any recommendation generally nor otherwise gives any investment advice herein.
