**INSTITUTIONAL HOLDERS OF COUNTRYWIDE-ISSUED RMBS ISSUE NOTICE OF
NON-PERFORMANCE IDENTIFYING ALLEGED FAILURES BY MASTER SERVICER
TO PERFORM COVENANTS AND AGREEMENTS IN
MORE THAN \$47 BILLION OF COUNTRYWIDE-ISSUED RMBS**

HOUSTON, October 18, 2010 – Today, the holders of over 25% of the Voting Rights in more than \$47 billion of Countrywide-issued RMBS sent a Notice of Non-Performance (Notice) to Countrywide Home Loan Servicing, as Master Servicer ("Countrywide Servicing"), and to Bank of New York, as Trustee, identifying specific covenants in 115 Pooling and Servicing Agreements (PSAs) that the Holders allege Countrywide Servicing has failed to perform.

The Holders' Notice alleges that each of these failures has materially affected the rights of the Certificateholders under the relevant PSAs. Under Section 7.01 of the PSAs, if any of the cited failures "continues unremedied for a period of 60 days after the date on which written notice of such failure has been given ... to the Master Servicer and the Trustee by the Holders of Certificates evidencing not less than 25% of the Voting Rights evidenced by the Certificates," that failure constitutes an Event of Default under the PSAs.

In a previous release, the Holders emphasized their intent to invoke all contractual remedies available to them to recover their losses and to protect their rights. Kathy Patrick of Gibbs & Bruns LLP, lead counsel for the Holders, emphasized that the Holders' notice does not seek to halt loan modifications for troubled borrowers. Instead, it urges the Trustee to enforce Countrywide Servicing's obligations to service loans prudently by maintaining accurate loan records, demanding the repurchase of loans that were originated in violation of underwriting guidelines, and compelling the sellers of ineligible or predatory mortgages to bear the costs of modifying them for homeowners or repurchasing them from the Trusts' collateral pools.

Patrick also noted that the group of Holders that tendered today's Notice of Non-Performance is larger, and encompasses more Countrywide-issued RMBS deals, than were included in the August 20 instruction letter. When asked why the group of holders was larger, Patrick replied, "Ours is a large, determined, and cohesive group of bondholders. We have a clearly defined strategy. We plan to vigorously pursue this initiative to enforce Holders' rights."

The Notice of Non-Performance, which is the first step in the process of declaring an Event of Default, was issued on behalf of Holders in the following Countrywide-issued RMBS:
